Re: Application for Design Registration

The design, as detailed in your, 0F15548.5R4 - IFM PROVER GMBH, for a Fitting is accepted for registration as follows:

Registered To: IFM PROVER GMBH

CRN: 0F15548.51

Drawing #: CRN SCOPE OF REGISTRATION

Drawing Revision: N/A

This design was registered based on a technical review performed by the province of initial registration in accordance with the Association of Chief Inspectors policy on reciprocal recognition of design review.

Reviewer's Notes:

RENEWAL - PI, PG, PK, PN PRESSURE SENSORS, SD, SI, SC FLOW SENSORS, LMT LEVEL SENSORS, TA & TT TEMPERATURE SENSORS & ADAPTERS – CRN SCOPE OF REGISTRATION (4 PAGES) – 2 MFG LOCATIONS

As required by CSA B51 4.2.1, this registration expires on 10/12/2032 This CRN is valid until the expiry date as long as the Manufacturer maintains a valid quality control program verified by an acceptable third-party agency until that date. Should the certification of the quality control program lapse before the expiry date, this registration shall become void. Any additional conditions of registration stated in TSSA CRN# 0F15548.5R4 registration shall apply to BC registration.

Contact me if you have any questions. The invoice for registration will be forwarded under separate cover.

Dear Cecylia Garbacz,

Re: Reciprocal CRN Registration in Manitoba

As indicated by the Regulatory Reconciliation and Cooperation Table and the Reconciliation Agreement for the Canadian Registration Number (CRN) for Pressure Equipment, the design reviews conducted and accepted by the Canadian province or territory, or their delegated safety authority, will be mutually recognized in the Province of Manitoba. If a registration is conditionally based on compliance with the notes set by the original issuing Jurisdiction, such compliance shall be applied the same to this Province.

Your submission has been registered, as follows:

File Number: 74-R2777
CRN: 0F15548.54
Scope: Renewal - PI, PG, PK, PN Pressure Sensors, SD, SI, SC Flow Sensors, LMT Level Sensors, TA & TT Temperature Sensors & Adaptors - CRN Scope of Registration (4 Pages) - 2 MFG Locations
Manufacturer: IFM Prover GmbH
Expiry Date: 14 October 2032

Along with this letter is the invoice for registration.

In addition, every vessel shall be stamp of the registration number and as required by CSA Code B51, a Manufacturer's Data Report (MDR) must be forwarded to this office immediately at the time a unit is shipped to Manitoba. Send your MDR to gasupport@gov.mb.ca. In your subject line, indicate "*Manufacturer's Data Report-CRN No.*" A fee shall be billed to the Manufacturer to process data reports in accordance with the Steam and Pressure Plants Regulation section 17.1.

Please contact gasupport@gov.mb.ca for any questions or concerns.

Hello BPV Engineering,

I would like to make an addendum to our CRN 0F15548. This registration is for all Canadian provinces except for Alberta.

We are private labeling our product for a third party, the company Rosemount. The products sold by Rosemount are identical to our products except for the label. The table below shows the ifm efector, inc. part number and the corresponding Rosemount part number.

STATUTORY DECLARATION Registration of Fittings

I, Mark Izzard, Controller & HR Manager

(Name and Position, e.g. President, Plant Manager, Chief Engineer)

of lfm Prover GmbH

(Name of Manufacturer)

Located at Waldesch 9, 88069, Tettnang, Germany

(Plant Address)

905-412-6272

(Telephone No.)

(Fax No.)

do solemnly declare that the fittings listed hereunder, which are subject to the **Technical Standards and Safety Act**, Boilers and Pressure Vessels Regulation, comply with all of the requirements of

(Title of recognized North American Standard)

which specifies the dimensions, materials of construction, pressure/temperature ratings, identification marking the fittings and service;

or are not covered by the provisions of a recognized North American standard and are therefore manufactured to comply with ASME B31.3 2018 as supported by the attached data which identifies the dimensions, material of construction, pressure/temperature ratings and the basis for such ratings, the marking of the fitting for identification and service.

I further declare that the manufacture of these fittings is controlled by a quality system meeting the requirements of ISO 9001-2015 which has been verified by the following authority, DQS GmbH

The items covered by this declaration, for which I seek registration, are category F type fittings. In support of this application, the following information and/or test data are attached as follows:

Revised scope of registration showing the corrected lowest temperature range for adapters E33208, E33209 & E30130

(drawings, calculations, test reports, etc.)

Declared before me at MISSISSAUGA, ON in the REGION of PEEL

the 13 day of MARCH AD 20 23.

Re: Application for Design Registration

The design, as detailed in your Design Portal application 0F15548.5ADD5 IFM PROVER GMBH for a Pressure Fitting is registered with the following notes and considerations:

Registered To:	IFM PROVER GMBH
Project Name:	0F15548.5ADD5 IFM PROVER GMBH
Drawing #:	CRN Scope Of Registration - Revised MDMT for E30130, E33208, and E33209
Drawing Revision:	n/a

Conditions of Registration:

(1) Fitting Registration Expiry Date: 14-Oct-2032 (2) The registration is valid until the indicated expiry date only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date. Should the approval of quality management system lapse before the expiry date indicated above, this registration shall become void.

Reviewer's Notes:

Any additional conditions and considerations from the initial province of registration shall apply to this BC registration.

Full details of this submission including the scope of registration, design conditions, fabrication details, and calculations pertaining to this design are located in the above Admin Number on the Design Portal. For all other enquiries, please contact eim@technicalsaftybc.ca.

Dear Cecylia Garbacz,

Re: Reciprocal CRN Registration in Manitoba

As indicated by the Regulatory Reconciliation and Cooperation Table and the Reconciliation Agreement for the Canadian Registration Number (CRN) for Pressure Equipment, the design reviews conducted and accepted by the Canadian province or territory, or their delegated safety authority, will be mutually recognized in the Province of Manitoba. If a registration is conditionally based on compliance with the notes set by the original issuing Jurisdiction, such compliance shall be applied the same to this Province.

Your submission has been registered, as follows:

File Number:	74-R3481
CRN:	0F15548.54
Scope:	CRN Scope Of Registration - Revised MDMT for E30130, E33208, and E33209
Manufacturer:	IFM PROVER GMBH
Expiry Date:	14 October 2032

Along with this letter is the invoice for registration.

In addition, every Pressure Vessel, Boiler, and Heat Exchanger shall be stamped with the registration number and as required by CSA Code B51, a Manufacturer's Data Report (MDR) must be forwarded to this office immediately at the time a unit is shipped to Manitoba. Send your MDR to gasupport@gov.mb.ca. In your subject line, indicate "*Manufacturer's Data Report-CRN No.*" A fee shall be billed to the Manufacturer to process data reports in accordance with the Steam and Pressure Plants Regulation section 17.1.

Please contact gasupport@gov.mb.ca for any questions or concerns.
