

FCC – Supplier's Declaration of Conformity

47 CFR § 2.1077 Compliance information

Responsible party:

HMS Industrial Networks Inc.
35 E. Wacker Dr, Suite 1900
Chicago, IL 60601
USA
Web: www.hms-networks.com
Phone: +1 312 829 0601

Declares under our sole responsibility that the following equipment/product:

Product Name: Anybus Wireless Bolt LTE

Type of Product: Wireless Industrial

Model Number: AWB15

is tested in conformity with the essential requirements of the U.S. Federal Communications Commission standard in accordance with Part 15 of the FCC rules.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Chicago, 12th of November, 2024

Sergio Resendiz
